

## **RADWIN Outdoor Unit**

Outdoor DC PoE device - Data Sheet

NO PICTURE AVAILABLE

RW-9921-0110

### **Product Description**

Outdoor DC POE device for RADWIN radios, with GBE interface, supports input power range 10-60 VDC.

### **Product Highlights**

- High power single port injector
- GBE compatible
- Power LED indication
- Full over current/voltage protections
- Non-vented case

## Product Specifications:

<b>ELECTRICAL</b>	
Input Voltage	10-60 VDC
Input Current	10 to 60 VDC
Max. In-rush current	80A
DC Output Voltage	55VDC
<b>Environmental</b>	
Operating Temperatures	-40°C to +70°C (-40°F to 158°F)
IP Rating	IP67
Humidity	0.95
<b>Safety</b>	
ETSI	EN 60950-1 Second Edition
USA	UL1950-1 Second Edition
<b>EMC</b>	
ETSI	EN 301 489-1 V1.4.1; EN 301 489-4 V1.3.1; EN 301 489-17 V1.2.1
FCC	FCC part 15 Subpart B Class B
<b>Mechanical</b>	
Case	Metal
Dimensions	28(w) x 13.5(h) x 7.5(d) cm
Weight	1.224 kg / 2.70 lbs (without mounting kit)
Mounting kit	MK II
<b>Interfaces</b>	
PoE/ODU output	RJ45 GBE
Ethernet input	RJ45 GBE
Power cable	"Open DC Cable (BLACK, GREEN, WHITE)"

### Ordering Info

**Part Number:** RW-9921-0110

**Description:** Outdoor DC POE device for RADWIN's radios, with GBE interface, supports power range of 10-60 VDC.
